Let's get lost in this space  
Oh love  
Where they can't find us for days  
Oh wahh  
You got a sweet scenting ooh mm  
Sure 'nuff  
It's so good  
You gotta tell me shut up  
I'm no good when it comes to your touch

And the game ain't helping babe  
And I don't want you to ever stop  
Stop the way that your loving me  
Baby you've got my heart  
With everything that's inside of me  
Give you more than just part of me  
You know that you got my heart  
Only for you  
Baby  
Its all yours  
You can put your name on it  
Only for you  
What you waiting for  
You can put your name on it  
Only for you  
Baby you got my heart

Lets get carried away  
Don't rush  
Just when you think its the end  
It ain't over  
Just wanna stay in your arms  
Helpless  
It's so good  
Gotta tell me shut up

I'm no good when it comes to your touch

Ooh Ooh

Only for you

Baby

It's all yours

You can put your name on it

Only for you

You

What you waiting for

You can put your name on it

Only for you

Baby you got my heart

Come and get it bae

Get this thing

It got your name on it

Come put your name on it

Yes it got your name on it

Any time

Any place

You just gotta say you want it

Come put your name on it

Yes it got your name on it

Come and get it bae

Get this thing

It got your name on it

Come put your name on it

Yes it got your name on it

Any time

Any place

You just gotta say you want it

Come put your name on it

Only for you

Baby

Its all yours

You can put your name on it

Only for you

What you waiting for

You can put your name on it

Only for you

Baby Its all yours

You can put your name on it

Only for you  
Baby you got my heart  
Only for you  
Baby  
Its all yours  
You can put your name on it  
Only for you  
What you waiting for  
You can put your name on it  
Only for you  
Baby Its all yours  
You can put your name on it  
Only for you  
Baby you got my heart
