(Tank) Verse 1: It be on my mind like what
And you be on my mind like what
Sure about the way but not about the day cuz
It's just to much I wanna say
It's just a worried feelin
Sometimes I wanna give in
And take you to the latest
It might be the greatest
Maybe you can rate it cuz

Chorus: I'm thinkin bout giving u tickets front row
and center so you can see the show
I'm thinkin bout givin u backstage passes all access
granted
Cuz I know you wanna know
How a girl be gettin down
Now you wanna go
For the show be leavin town
And I'm thinkin bout givin u tickets so that u can???
Cuz you will see the show

Once the curtain goes up and the lights go down
Take your seat boy if you're ready
