[Verse 1]

Is anybody home in there?  
I unexpectedly dropped by your heart  
I simply wanted you to hear  
The cry of my love's never ending start  
Impossibly escaping you  
And circumstances never stand a chance  
So intrigued by the things you do

[Chorus]

Through my eyes I envisioned you  
Your love protects my every move  
My life swings to your heart beats  
My everlasting love is simply deep

[Verse 2]

In seconds it's been timeless  
When I'm with you, time seems to take a rest  
No routines ever lay with us  
'Cause everything is new, when you're in love  
So delighted that you feel the same  
You say with me you're never liable to pain  
Never love another again

[Chorus]

Through my eyes I envisioned you  
Your love protects my every move  
My life swings to your heart beats  
My everlasting love is simply deep

As I lay you in the midst of all gone in creation  
As I hold, can only think of you  
And you really are so wrong every mobile run  
And I never sleep, without an endless dream  
Our love is so simple deep  
Between you and me!

[Repeat chorus 3X]

So simply deep, oohh-ooo
