Is anybody home in there?
I unexpectedly dropped by your heart
I simply wanted you to hear
The cry of my love's never ending start
Impossibly escaping you
And circumstances never stand a chance
So intrigued by the things you do

Through my eyes I envisioned you
Your love protects my every move
My life swings to your heart beats
My everlasting love is simply deep

In seconds it's been timeless
When I'm with you, time seems to take a rest
No routines ever lay with us
'Cause everything is new, when you're in love
So delighted that you feel the same
You say with me you're never liable to pain
Never love another again

Through my eyes I envisioned you
Your love protects my every move
My life swings to your heart beats
My everlasting love is simply deep

As I lay you in the midst of all gone in creation
As I hold, can only think of you
And you really are so wrong every mobile run
And I never sleep, without an endless dream
Our love is so simple deep
Between you and me!

Through my eyes I envisioned you
Your love protects my every move
My life swings to your heart beats
My everlasting love is simply deep

Through my eyes I envisioned you
Your love protects my every move
My life swings to your heart beats
My everlasting love is simply deep

Through my eyes I envisioned you
Your love protects my every move
My life swings to your heart beats
My everlasting love is simply deep

So simply deep, oohh-ooo
