He
Said

He said stand in front of me
Let me pone that ass

Show em
Your my girl
And let it stay

I'll
Be the king
As long as
You stand in front of me
In front of me
Stand in front of me
In front of me
Stand in front of me

My life's become a fantasy
I wake up your my
Man
Give me the world and here you go
Just by grabbing my hand
Watch you worry puzzles me
And I love when you say
Stand in front of me
In front of me
Stand in front of me

I was asked something
Long ago
I couldn't answer
And it bothered me a little
How
Do

You keep your man
And I found the best answer
Its simple
You just do it do it
Mean it
Prove it

Thats how you keep your man
How you keep your man
How you keep your man
How you keep your man
Ladies do it do it
Mean it
Prove it

Oh you gotta have a plan
Gotta take a chance
That'll keep your man
That'll keep him saying

Stand in front of me
Let me pone that ass

Show em
Your my girl
And let it stay

I'll
Be the king
As long as
You stand in front of me
In front of me
Stand in front of me
In front of me

So I'll get down
On bend a knee
And grab you by the
Hand

Your like oh no babe
You can't do that
I'm like oh oh ooh yes I can
Or we can just go back to cuddling
Or you could just say

Stand in front of me

Stand in front of me

Front of me

I was asked something

Long ago

I couldn't answer

And it bothered me a little

How

Do

You keep your man

And I found the best answer

Its simple

Do it do it

Mean it

Prove it

Thats how you keep your man

How you keep your man

How you keep your man

How you keep your man

Ladies do it do it

Mean it

Prove it

Oh you gotta have a plan

Gotta take a chance

That'll keep your man

That'll keep him saying

OH

Stand in front of me

Let me pone that ass

Show em

Your my girl

And let it stay

I'll

Be the king

As long as

You stand in front of me

In front of me

Stand in front of me

In front of me

Mm

Now I love
When my man talk to me like that
