What a feeling  
It's never been so easy  
When i'm dreaming  
Summer dreaming  
When you, what a feeling  
It's never been so easy  
When i'm dreaming  
Doing things that feel so good

Come on over, let's have some fun  
Dancing in the morning sun  
Looking to the bright blue sky  
Come and let your spirit fly  
You're, living it up this brand new day  
Summer sun, it's time to play  
Let yourself go go go  
Doing things that feel so good

What a feeling  
It's never been so easy  
When i'm dreaming  
Summer dreaming  
When you, what a feeling  
It's never been so easy  
When i'm dreaming  
Summer dreaming, when you're with me

What a feeling, when i'm dreaming  
What a feeling, when i'm dreaming  
Summer dreaming, when you're with me

Just another lucky day  
No one ever makes me feel this way  
And loving you, it feels so right  
Baby now that you by my side  
Living it up this brand new day  
Summer sun, it's time to play  
Let yourself go go go  
Doing things that feel so good

What a feeling  
It's never been so easy

When i'm dreaming  
Summer dreaming  
When you, what a feeling  
It's never been so easy  
When i'm dreaming  
Summer dreaming, when you're with me

What a feeling, when i'm dreaming  
What a feeling, when i'm dreaming  
Summer dreaming, when you're with me

Feel so right, you make me feel, feel so right

What a feeling  
It's never been so easy  
When i'm dreaming  
Summer dreaming  
When you, what a feeling  
It's never been so easy  
When i'm dreaming  
Summer dreaming, when you're with me

When i'm dreaming  
What a feeling  
Summer dreaming, when you're with me
