[Intro:]

The music goes on & on & on & on
This is my favorite song
Turn it up
We can go on & on & on & on

[Verse 1:]

Let's try to pick up right where we left off
If the rhythm finds you then you won't be lost

[Pre-Chorus:]

When I hear the sound
It's like it calls my name
'Cause it's all around
From now till forever

We're almost there & I'm hearing the snare's gone
I'm falling in love, the more the music plays

All I feel is the music
Gimme the music
Until the lights come off
