[INTRO]

Whatchu mean I don't need you no more?  
Cause I don't!  
I gotta bag full of toys and I don't need none of your  
boys  
So you can hit every chick on the block  
Cause I'm gone be alright once I turn this power on, ya  
dig?

[VERSE 1]

Toys!  
You don't get the job done when I need a little loving  
So I gotta do it myself if I wanna feel something  
So I grab me a toy, 'lil boo ain't buggin'  
Now I want some affection and you ain't giving me  
nothing

[CHORUS]

A toy, every girl must have a toy  
The way it make you feel  
Every girl has a toy now, baby!  
A toy, every girl must have a toy  
The way it make you feel (Uh, c'mon!)

[VERSE 2]

I keep my butterfly close when you ain't wanna be  
bothered  
Don't come waking me up, cause I ain't giving you nada  
Cause I got me a toy (Tooooo)  
And it works for me and it lasts longer than the battery  
So you best believe that

[CHORUS]

[VERSE 3]

I used to wish that you would love me  
And fantasize on how we used to be  
Until I discovered something better than you  
I don't need, no need, your loving  
You wanna come home late at night touchin' and feelin'  
all over me

But I don't need no help in pleasing me  
Oh!

[CHORUS]

[OUTRO]

How could I miss you baby, I didn't even know you was  
gone  
It's obvious you aren't needed in the bedroom anymore  
I'm just keeping myself occupied like all women do  
when they are taking a bath  
And when you leave, make sure you don't slam the  
door because you fuck up my concentration

Tooooy!
