(I wonder)
If he knows I've been watching him
(And I wonder)
If he knows I can feel him
(And I wonder)
In my dreams and when I'm sleeping
And I'm keeping him close to me
(I'm thinking)
He's the thunder; I'm the lightning
(I'm thinking)
Maybe we can come together
(And I'm thinking)
We can bring the rain with a lovely breeze
And such harmony

Like a train on a track
Like spokes inside a wheel
Involuntary motion
Like rolling downhill
And there's no way to stop it (When you fall in love)
It's a natural thing
Like sunrising dusk
Snowflakes, waterfalls
Same thing with us
And there's no way to stop it
(Once you fall in love)

(I'm growing)
An overflow of happy laughter
(I'm growing)
Closer to you more than ever
(I'm blowing)
Daffodils and kisses
Baby breath and roses
Gently touching noses
(I'm sailing)
Without a destination
(I'm sailing)
Exploring charted places I'm (Exhaling)
No more lonely seasons
I'm underwater breathin'
Drownin' in the sea of love

Like a train on a track
Like spokes inside a wheel
Involuntary motion
Like rolling downhill
And there's no way to stop it (When you fall in love)
It's a natural thing
Like sunrising dusk
Snowflakes, waterfalls
Same thing with us
And there's no way to stop it
(Once you fall in love)

I heard a song bird
A seed came through the earth
Strangers holding hands
A crowd cheering the stands
I've already seen all the evidence
It's obvious love's in the air again
Saw the clouds blow
Chased by rainbows
Saw two roses bloom
Just like me and you
Caught up in magic I can't pretend
It's obvious love's in the air again

No way to stop it, no (Ain't no way)
Boy you and I are L-U-V in love you see
That you and I are L-U-V in love

There's no way to stop it, no (Ain't no way)
Boy you and I are L-U-V in love you see
That you and I are L-U-V in love
I love you

Like a train on a track
Like spokes inside a wheel
Involuntary motion
Like rolling downhill
And there's no way to stop it (When you fall in love)
It's a natural thing
Like sunrising dusk
Snowflakes, waterfalls
Same thing with us
And there's no way to stop it
(Once you fall in love)
[Repeat until fade]
