Its complicated
It always is
That's just the way it goes
Feels like I waited so long for this
I wonder if it shows

head under water
Now i can't breath
It never felt so good
?Cause i can feel it coming over me
I wouldn't stop it if i could

When love takes over (yeah-ah-eah)
You know you can't deny
When love takes over (yeah-ah-eah)
?Cause something's here tonight

Give me a reason
I gotta know
Do you feel it too?
Cant you see me here on over load
And this time I blame you
Looking out for you to hold my hand
It feels like I could fall
Now love me right, like I know you can

We could lose it all

When love takes over (yeah-ah-eah)
You know you can't deny
When love takes over (yeah-ah-eah)
?Cause something's here tonight
Tonight, tonight, tonight, tonight, tonight, tonight (keep saying)

I'll be loving you all the time
its true.Cause i wanna make it right
with you

...

When love takes over(x6)
when love takes over over over over over

over over over over over over!

When love takes over (yeah-ah-eah)

You know you can't deny

When love takes over (yeah-ah-eah)

?Cause something's here tonight
