If love has a price then I'm paying tonight,
The pain is burning deep.

I crave the flame in your eyes,
I need the smallest of signs,
that your heart burns for me.

I wait in every heartbeat.

Watching, wishing, oh why can't you see it?
It's beautiful what we could be

C'mom c'mon, look at what we have here,
C'mom c'mon, can't you see this love is red?

C'mom c'mon, look at what we have here
Don't you dare give it up, no don't you dare.

C'mom c'mon, look at what we have here
C'mom c'mon, can't you see this love is red?

C'mom c'mon, look at what we have here
Don't you dare give it up, no don't you dare.

You're running deep in my veins,
the sweetest pleasure and pain,
Come take this drug with me.

'Cause once the doors open up,
our love will run like a flood,
if I could find the key.

It's hopeless, I am helpless,
it's so obvious, you've taken over me.

But it's beautiful what we could be.

C'mom c'mon, look at what we have here,
C'mom c'mon, can't you see this love is red?

C'mom c'mon, look at what we have here,
Don't you dare give it up, no don't you dare.

C'mom c'mon, look at what we have here,
C'mom c'mon, can't you see this love is red?

C'mom c'mon, look at what we have here,
Don't you dare give it up, no don't you dare.

I'm waiting here, looking up at you dear,
from far down below.

It seems I've fell in love my love.
Can't you see it's beautiful, what we have?

C'mom c'mon, look at what we have here,
C'mom c'mon, can't you see this love is red?

C'mom c'mon, look at what we have here,
Don't you dare give it up, no don't you dare.

C'mom c'mon, look at what we have here,
C'mom c'mon, can't you see this love is red?

C'mom c'mon, look at what we have here,
Don't you dare give it up, no don't you dare.
