Why can't you see me?  
'Cause I don't want to make me hard to find  
'Cause I'm in love  
Or is it a crush?

Am I in love?  
Are you in love?  
Or is it just a crush?  
Are you in love?  
Are we in love?  
Or is it just a crush?

Just you wait  
I'll get next to you  
There when you come undone  
All that you disguise are all just pretty lies  
Still I'm in love  
My crush

Just my luck  
Here in my imagination  
Why so happy and so free?  
Maybe you're just meant for me  
If you only knew what I would do to hear you

Say you love me  
But just don't stop there  
Kiss me  
Let go floating  
High above the ground  
Is it all so hard to believe?

Am I in love?  
Are you in love?  
Or is it just a crush?  
Are you in love?  
Are we in love?  
Or is it just a crush?

Am I in love?  
Are you in love?

Or is it just a crush?  
Are you in love?  
Are we in love?  
Or is it just a crush [crush crush]?

Am I in love?  
Are you in love?  
Or is it just a crush?
