A lion broke into my room
His gleaming eyes lit by the moon
He held me in his tortured gaze
Lost myself within the maze

I waited for the sound of love
A calling heart to pull me up
The thought of you was breathing me
A dream that only I could see

You, oh you
Are sunlight on my face
Oh you, oh you
Are my amazing grace
Oh you, oh you
Like shooting stars in space
You, oh you
Are my amazing grace

You held me like a mother's child
A warm embrace a gentle smile
A kiss that makes the flowers swoon
I'm endlessly in love with you

My dear the lion whispers still
He pulls me in against my will
But in the night I feel you here
A light up in the atmosphere

You, oh you
Are sunlight on my face
Oh you, oh you
Are my amazing grace

I am yours, and yours alone
I am yours, and yours alone

I am yours, and yours alone
I am yours, and yours alone
I am yours, and yours alone
I am yours, and yours alone
I am yours, and yours alone
I am yours, and yours alone

You, oh you
Are sunlight on my face
Oh you, oh you
Are my amazing grace
You, oh you
Like shooting stars in space
Oh you, oh you
Are my amazing grace
