Sand,  
Slipping fast through hands,  
Hands that are heavy and always have held onto me,  
And time,  
Time has told its joke,  
But nobody's laughing,  
And moments are passing with greed,

I'm just a girl alone in a world,  
I try to break through,  
And pictures and numbers is all I'm amounting to,  
I'm just a girl i don't know the world not like you do,  
And pictures and numbers is never enough for you,  
Oh I needed you,

Love,  
Has a different face,  
The shadows are longer,  
The words come out stronger with age,  
But you,  
You would barter soul,  
So don't let them take me,  
Corrupt and portray me this way,

'Cause I'm just a girl alone in a world,  
I try to break through,  
And pictures and numbers is all I'm amounting to,  
I'm just a girl i don't know the world not like you do,  
And pictures and numbers is never enough for you,  
Oh I needed you,  
Oh i needed you,

I'm just a girl alone in a world,  
I try to break through,  
And pictures and numbers is all I'm amounting to,

I'm just a girl i don't know the world not like you do,  
And pictures and numbers is never enough for you,  
Oh I needed you,  
Oh I needed you,
