Get real this ain't the way we used to feel
What we once earned we have to steal conceal it ain't
real
Come on we've been defending for so long
I don't know who we're trying to con it's gone so come
on

Enough we're just pretending that it's love
It's a shame I don't know who to blame but I know
enough
Get real it's time we both put down our shields
You see we both lost in this deal oh get real
[guitar]

Enough we're just pretending...
Baby we both lost in this deal oh get real
