Don't understand why I don't love you
No one could ask for a heart more true
Sometimes I think I was born this blue
I should have known from the start

Now I got a hole in my heart
I seem to be missin' a part
Oh, I pull the pieces together again
But this hole in my heart won't mend

I was in love once long ago
I tried my best not to let it show
He was the kind that'll always know
That's the kind that'll tear you apart

Now I got a hole in my heart
I seem to be missin' a part
Oh, I pull the pieces together again
But this hole in my heart won't mend
I got a hole in my heart

I'd be a fool to let you go tell me something that I don't
know
He got the roses and the warm red wine
You got the thorns and these blues of mine
I got a rainbow I'll never find stumbling around in the
dark

Now I got a hole in my heart
Seem to be missin' a part
Oh, I pull the pieces together again
But this hole in my heart won't mend

Now I got a hole in my heart
Seem to be missin' a part
Oh, I pull the pieces together again
But this hole in my heart won't mend

Now I got a hole in my heart
I seem to be missin' a part
Now I got a hole in my heart
