If I left you
I wouldn't stay gone so long
If I left you
I'd worry how you got along

Chorus
But you left me
Alone here in my misery
That's not something I would do
If I left you

If I left you
I wouldn't go out on the town
If I left you
I'd drag my heart along the ground

Repeat Chorus

Your actin' like I never cross your mind
I'm hold up feelin' like I'm losin' mine

If I left you
I'd call you every single day
If I left you
I'd wonder why I went away

Repeat chorus
