"Losing You"

The days pass by in slow motion
Starts to rain that I don't even notice
Everybody wants what they can have
And everybody wants a little more
I wish I had a little more

'Cause I've been losin' little pieces of you
Like everything I have is comin' unglued
Knockin' it around in my mind
Searchin' for the times went by

Take me down to the river
Show me things I can remember
I'm in love with a man
He loves me back, quite sure
I wouldn't change him if I could

But I've been losin' little pieces of you
Everything I have is comin' unglued
Knockin' it around in my mind
Searchin' for the times went by

I've been losin' little pieces of you
Everything I have is comin' unglued
Turn around one day and you were gone
Swear to you I'm still holdin' on
