Here comes success  
Here comes success  
Over my hill  
Over my hill

Here comes success  
Here comes success  
Here comes my car  
Here comes my car

Here comes my Chinese rug  
Here comes my Chinese rug  
Here comes success  
Here comes success

Now in the last years, in the last years  
I think of you, I think of you  
Now in the last years, in the last years  
I will be true, I will be true

Sweetheart, I'm tellin' you  
Sweetheart, I'm tellin' you  
Here comes the zoo  
Here comes the zoo

Here comes success  
Here comes success  
Hooray, success  
Hooray, success

Oh, oh, success  
Oh, oh, success  
I can't help myself  
I can't help myself

I got the shadow lamp  
I got the shadow lamp  
Oh yeah  
Oh yeah

Here comes my fames  
Here comes my fames

It's plain bizarre  
It's plain bizarre

Here comes my face  
Here comes our face  
Out of the cloud  
Out of the cloud

Sweetheart, I'm tellin' you  
Sweetheart, I'm tellin' you  
Here comes the zoo  
Here comes the zoo

In the last itch  
In the last itch  
Well, here comes success  
Here comes success

Here comes success  
Here comes success  
I got to do the twist  
I got to do the twist

I wanna jump up and down  
I wanna jump up and down  
Oh yeah  
Oh yeah
