My heart is strong  
It wont ever die  
But it could fail  
In a blink of an eye  
For you  
And just for you

[Chorus:]  
You are faceless  
I won't find you out  
You are faceless  
I don't know who, who you are  
You are faceless  
I can't see the beauty  
You are faceless  
No face

You hurt me  
I saw everything, but your face  
You made my eyes pop  
You made my heart stop  
Your face couldnt hurt me  
Your faceless  
Yeah your faceless

[Chorus:]  
You are faceless  
I won't find you out  
You are faceless  
I don't know who, who you are  
You are faceless  
I can't see the beauty  
You are faceless  
No face

I know it's true  
That I hurt you  
I know it's true  
That you hurt me  
The pain I suffered all inside  
Made me forget  
All of our bad times

[Chorus x2:]  
You are faceless  
I won't find you out  
You are faceless  
I don't know who, who you are  
You are faceless  
I can't see the beauty  
You are faceless  
No face
