We started out happier then ever
We laughed it out for what ever
You then lied to me
Found someone free
I just couldn't believe
Did'nt want to believe

[Chorus:]

I'd hate to be the one,
The one to push you down those flight of stairs
I fell once or twice
Once my feet touched the ground
You tipped me right back down
I regained my confidence
Now it my turn to throw you down
The flight of stairs

You laughed
I cried
You weren't the perfect guy
I crept a smile
But only for a little while
I saw you with her
Her perfect blonde hair
She kissed your nose
To bad i'm not a sap
Your just thinking way to wack

[Chorus:]

I'd hate to be the one,
The one to push you down those flight of stairs
I fell once or twice
Once my feet touched the ground
You tipped me right back down
I regained my confidence
Now it my turn to throw you down
The flight of stairs

I don't feel to weak
I won't let me sink
I can control myself
I could let go of myself

But if I did,
You'd be at the bottem of those stairs

[Chorus:] x2:
I'd hate to be the one,
The one to push you down those flight of stairs
I fell once or twice
Once my feet touched the ground
You tipped me right back down
I regained my confidence
Now it my turn to throw you down
The flight of stairs
