Your stare is like poison
Your eyes make me cry
Your smile glows up four rooms
My heart goes boom
My heart will zoom
For miles
Just for you

[Chorus:]

I'll lie
I'll fly
For you
I'll cry
I'll die
For you
Most of all
Most of all
I'll set my heart on fire
For you

Your lips make me giggle
Our song makes jiggle
Your skin touching my skin
Makes me come for you
The gifts that you send me
You have that unique style
You have the sweetest hair
That make me fall harder for you

[Chorus:]

I'll lie
I'll fly
For you
I'll cry
I'll die
For you
Most of all
Most of all
I'll set my heart on fire
For you

You shake me

You brake me
I try smile
You hurt me
You shoke me
Till that smile
Washed off my face

Yeah

[Chorus:]
I won't lie
I won't fly
Do nothing for you
I won't cry
I won't die
Do nothing for you
But most of all
The biggest thing
I'll never set
Never set
No won't ever set
My heart on fire for you
No No
Never
