It's not that I hate you
It's not that I love you
You think everything about me is,
A game
You think I don't care
When I see you with her
You think I didn't feel it
When you held my hand

[Chorus:]
You don't think that I'm hurting inside
You think I'm staying by your side
You think that I'll love you forever
When the truth is your gonna get
Hurt Inside

Please forgive me
When I studder about the love
Please forgive me
When I cry about
The stupidest things
But the truth is I can careless
Please excuse
The pain in this stupid game

[Chorus:]
You don't think that I'm hurting inside
You think I'm staying by your side
You think that I'll love you forever
When the truth is your gonna get
Hurt Inside

The hurt
The pain
The scar across my vains
The love
The hate
It's all about you stupid games

[Chorus:]
You don't think that I'm hurting inside
Oh inside

You think I'm staying by your side
Not by your side
You think that I'll love you forever
But I'll hate you forever
When the truth is your gonna get
Hurt Inside
