It's 9:00 A.M
Her body lays dead
On the coldest floor
Her clothes are black
Her neck is cracked
Her body is no sack

Chorus:
All she wants to do is scream
Scream
Scream
She believed in God
She wished her mom was gone
Her daddy didn't care
All she did was scream

Her hair was cut, in jagged lines
That was when her momma dies
The house was filled with silent lies
Her father sheds a tear
He feels a shadow near

Chorus:
All she wants to do is scream
Scream
Scream
She believed in God
She wished her mom was gone
Her daddy didn't care
All she did was scream

Scream
Scream, scream

She was dressed
Fully dressed
He came on by
Grabbing her from behind
Throwing her on by
That's how it all happened
The scene right here

Chorus:
All she wants to do is scream
Scream
Scream
She believed in God
She wished her mom was gone
Her daddy didn't care
All she did was scream

Her hollow lies
The black butterflies
The yellow tape
That reads caution
But all she could do was
Scream
