You stood there
You looked scared
Your fingers laced with hers
Your stupids apologies
Your truthful lies
I know you know
How much I hate you

[Chorus:]
You passed
You passed the test
Your nails dug in my skin
You annoyed me
Till I couldnt get anymore annoyed
You passed my test
The test

My little laugh
You thought was cute
The horrid pass
That took you through
I couldnt believe my eyes
Couldnt believe what I saw
Ohhhhh

[Chorus:]
You passed
You passed the test
Your nails dug in my skin
You annoyed me
Till I couldnt get anymore annoyed
You passed my test
The test

The thunder comes right through
The happyness rips to
I have the hurt heart
I have the pain inside
You passed
Ohhh you passed

[Chorus:]

You passed
You passed the test
Your nails dug in my skin
You annoyed me
Till I couldnt get anymore annoyed
You passed my test
The test

That test
Ohhh
