### VERSE 1

I got a vibe from you last night  
I just knew it wasn't right  
I feel it coming on again  
You say we're better off just friends

### VERSE 2

Can't you see I'm tightly wound?  
I'm up so high can't see the ground  
I'm lost in hopeless misery  
Oh Baby, You and Me

### CHORUS

Having a break up, breakdown  
Every time you come around  
Don't you know I miss you so?  
I can't believe I let you go  
Break up breakdown  
I wish you would come around  
We're breaking up, I'm breaking down.

### VERSE 3

I gave you everything and more  
And still you're walking out the door  
Someday you'll wish that you were mine  
Oh baby, you and I

### CHORUS

Having a break up, breakdown  
Every time you come around  
Don't you know I miss you so?  
I can't believe I let you go  
break up breakdown  
I wish you would come around  
We're breaking up, I'm breaking down

### BRIDGE/BSECTION

And everyday I feel alone  
Because I'm always on my own  
I've waited around long enough  
It's never ever good enough

Don't you know I'm breaking down? X2

CHORUS x2 OUTRO
