Where are you ? Come back again and I want you
I was born to lose my breath Slip away forever
Asugaya ga toki demo
Nagai yo wa agesu
Mamotteki wo suru tabi ni mieru Ano keshiki no muka
de Sagenukeru
Isolation
My head divide
I don't know Your sadness Where are you ?
Come back again and I want you I was born to lose my
breath
Slip away forever
Asugaya ga toki demo
Ore no yo wa agesu
Ikiteruka kiriki e wa shinai
Ore wa ni matte mo tachi Sugu yukeru
Isolation
My head divide
I don't know Your sadness Isolation
My head divide
I don't know
Your sadness
Machi mahou no mire no mikobo
naku
Konou osesu ni ore wa Ikite yuku Isolation
My head divide
I don't know Your sadness Isolation
My head divide
I don't know Your sadness
