"Doo Wop Christmas"

Visit "[Doo Wop Christmas](#)" on MotoLyrics.com

This Christmas is supposed to be
People living in harmony
A celebration for the world to see
Sing glory to the newborn king
Folks coming from miles around
We gotta tell 'em what's going down

Make a joyful noise scream and shout
That's what Christmas is all about

I wanna tell you about the son of man
A little baby down in Bethlehem
Sent from heaven what a beautiful sight
I knew that everything would be alright
Folks still talking about the glorious sound
We gotta tell them what's going down

Make a joyful noise scream and shout
That's what Christmas is all about

Kids love presents and Santa he's alright with me
But I really wanna tell you what a treasure God's love
can be

Make a joyful noise scream and shout
That's what Christmas is all about

Light of heaven was shining bright
The Lord is saving my soul tonight
You know it's never too hard to find
His sweet loving it's right on time
Folks Santa Claus is coming to town
You better tell them what's going down

Make a joyful noise scream and shout
That's what Christmas is all about

Kids love presents and Santa he's alright with me
But I really wanna tell you what a treasure God's love
can be

Make a joyful noise scream and shout
That's what Christmas is all about
