I see the way you look at me  
As if to say it's right  
I pray for you day in and day out

Something's happening to me  
The man I used to be is gone  
He gave up his life  
So I could go on

Girl, on in heaven  
Where the love of a lifetime resides in you  
Girl, there's heaven in you, babe  
Oh girl, and it's so meant to be

And this place where two souls collide  
There's no pain, no fear, only you and I

Something's happening to me  
The man I used to be is gone  
He gave up his life  
So I could go on and on

Girl, on in heaven  
Where the love of a lifetime resides  
Somewhere in you, girl  
I've been looking for heaven, baby  
See I spent my lifetime only to find

Heaven's in you, girl, girl  
Heaven's in you, babe  
Here I spent a lifetime  
Trying to find heaven, yeah  
Girl, yeah

Oh, oh girl  
Searching my lifetime  
Trying to find heaven, yeah  
Baby

Gotta find you  
Come on, girl

Heaven's in you, baby  
Yeah, it's right there  
Inside your heart, baby, ooh girl

I've been looking for heaven, babe  
Where the love of a lifetime, yeah  
It resides somewhere in you, girl  
See I've been looking for heaven, babe

See I spent my lifetime, baby trying to find it  
Yeah, yeah, I, I, oh girl  
I want you, baby  
I want to give my love to you, yeah baby

Heaven's right there in your heart, girl  
Heaven's inside of you  
Heaven's inside of you, yeah

Heaven's in you  
Heaven's in you, babe  
It's right there on the inside  
Heaven's in you, girl

You're like heaven  
You're the love of a lifetime  
And I find my strength in you
