IF ITS LOVE - Kem

Iâ€™m sitting here in my bed  
Iâ€™ve been thinking about everything thatâ€™s been said  
I realize whatâ€™s at stake  
From the moment I met you  
I just ainâ€™t been the same

I need you here in my life  
And we both know, thatâ€™s a hard thing to fight  
Girl, Iâ€™m a good man and youâ€™re a good woman  
Thereâ€™s so much more I want to discover, baby

It itâ€™s love, itâ€™ll last a lifetime  
Deep in my heart, I know baby  
If itâ€™s love, itâ€™ll last forever,  
Itâ€™ll just start to show

You know I played the field for the longest time  
Was in and out of love  
Oh I, oh I payed the price  
Tell me can you comprehend what you make me feel  
Heaven only knows why broken hearts can heal

I need you, here by my side  
If youâ€™re not in my world, boy  
Ainâ€™t nothing right  
Youâ€™re a good man, and Iâ€™m a good woman too  
Thereâ€™s so much more to discover with you

It itâ€™s love, itâ€™ll last a lifetime  
Deep in my heart, I know baby  
If itâ€™s love, itâ€™ll last forever,  
Itâ€™ll just start to show

Maybe we can work it out  
Maybe we can find the time  
Maybe we can settle down, girl  
Boy, you know your heart is mine

Maybe we can find a way to love a little better  
Maybe we can a way to keep it all together

Maybe have a little faith and pray for this love, love

It it's love, it'll last a lifetime  
Deep in my heart, I know baby  
If it's love, it'll last forever,  
It'll just start to show
