Could this be the very beginning, babe  
Of a love so fine?  
Then let's get caught up in the middle, babe  
Girl you were mine, that's all I know

Hey, we've got somethin' special  
A wise man can't define  
It's just like Heaven's watchin' us  
And it feels just like

I'm in love  
Oh girl, I'm in love  
I'm in love  
I'm in love

You just get here, girl  
And I promise you I'll keep you warm  
Inside and out I'll be lovin' you  
Makin my perfect storm until the mornin' comes

Hey, you're sunshine, on my window, babe  
I'm lookin' love right in the face girl  
Let's watch Heaven open up  
'Cause it feels just like

I'm in love  
Hey, girl I'm in love, ooh, baby  
I'm in love, ooh, ooh, ooh, girl  
I'm in love

Shoo, doo, way, ow, way, do, do, way  
Shoo, doo, way, ow, way, do, do, way  
Shoo, doo, way, ow, way, bee, aay

I'm in love, oh, girl  
I'm in love, ooh, girl  
Oh, I'm in love girl  
I'm in love, babe

Whoy, I'm in love, girl  
Yea, hey, I'm in love  
I'm in love, oh, babe

I'm in love, girl

Yeah, I found my way back in

Yeah, I'm love

I'm in love
