I'm thinkin' 'bout you
And that don't ease the pain
But I knew, baby that the moment I started
Thinkin' bout you, baby

That don't make it any easier
I said I wouldn't do it, baby
Thought I could take you being gone

Thought I'd put my mind to it love
But I just couldn't make it on my own
And I'm breakin' down

I'm missin' yo' love, baby
I'm goin' through it, baby
Missin' yo' love, baby
Who am I foolin', baby

I'm here without you, girl
And that don't mean a thing
I'm here without you, baby
Everything has changed

And I've tried to live with it, baby
I have tried to give my love away
What does take to get you
Off my mind you know I try

I said I wouldn't do it baby, yeah
I thought I could take you being gone
I thought I'd put my mind to it love, yeah
But I just couldn't make it on my own
It's a sad sad song

I'm missin' yo' love, baby
I'm goin' through it, baby, yeah
For your love baby, yeah
Who am I foolin' when I say
I don't miss you everyday
Yo', love is on my mind baby

I'm missin' yo' love each and every day

And I said I wouldn't do it, baby, yeah
Thought I could take you being gone
I thought I'd put my mind to it love, yeah

You know I was wrong dead wrong, baby
I'm missin' yo' love every day I can't eat, baby
I'm missin' yo' love every night I can't sleep, baby

For yo' love
Missin' yo' love baby yeah
It's a sad, sad song
I'm missin' yo' love
