Every life needs another life  
And every heart, another  
And yours, just might, need mineÃ¸Ã¸!.. tonight

Every day is a new day  
And every hour is ours to share  
And every heart needs another heart  
And yours just might need mine tonightÃ¸Ã¸!baby,  
baby

Yours might need mine, tonight, baby.

Every one has heartache  
And everyone gets lonely  
And every love needs another love

And yours just might need mine tonightÃ¸Ã¸!

Yours just might need mine tonight- ohhhh

Everyone needs someone to talk to  
Everyone needs, needs someone to love  
Everyone life needs another life  
And yours just might need mine tonightÃ¸Ã¸!.

Yours just might
