Where would I be without you?  
Where would I be without you?  
Where would I go to let it all out?  
Where would I be without you?  
Without you babe

Where did the song of love go?  
Where did you find someone new?  
And what do I do without you?  
Ooh babe, without you girl

Without you, hey, without you girl  
Where would I be without you?  
Where would I go to let it all out?  
If I'm gonna be without you  
I better go now, ooh babe

Without you girl, without you, yeah baby  
Without you girl, what I'm gonna do babe?  
Without you girl in my life, yeah  
Without you, yeah, without you babe  
Without you
