Oh yeah

When you are standing here with me
I can see everything in you
You are the light that feeds the soul, oh yeah
Girl you are everything divine

In your love, I will learn my wings to fly
In your heart, I will make my home
Day or night, I will come to you
Here's to our love, I do oh yeah, oh girl I do

You are half that makes me whole
Girl you are marigolds in bloom
Baby you are the air I breathe, oh yeah
Girl you are everything in me

In your love, I will bring my dreams to life, oh
From your heart, I will never roam, oh no
Until now, my weakness is all I've known
But with your love, I am strong, oh baby girl

I am stronger, yeah yeah yeah
Oh
Yeah yeah yeah
Oh oh yeah
Yeah, I'm stronger
Oh oh yeah
