Immortal angels  
Dressed up as junkies  
I'm going out tonight  
And It's gonna be alright  
It's gonna happen  
It's gonna happen, right  
It's gonna happen  
It's gonna happen  
Chorus:  
I take the blame  
And child is my name  
And I believe your words  
Whatever you might say  
This is my hand  
Shaking and raised  
Reaching out for something more  
Than mere play  
Immortal junkies  
Dressed up as angels  
I'm meeting you tonight  
And it's gonna be alright  
It's gonna happen  
It's gonna happen, right  
It's gonna happen  
It's gonna happen  
Chorus  
Chorus  
Than mere play  
Than mere play
