Always the rain  
Fills up the room again  
And you can learn to swim  
If you will not give in  
And I always give  
All that I have to give  
Cos I hate to see  
Expressions of defeat

Get me some rest at the end of the day  
Things off my chest at the end of the day  
Sauna and soap 'til the stains burn away  
Bring me new hope at the end of the day

All reaching out  
Trapped in a roundabout  
Sometimes it's hard to breathe  
It's hard enough to be  
And I always give  
All that I have to give  
Cos I need to feel  
I've made a difference when they leave

Mind-clearing heat  
Cooling water  
My hands are here  
To help the others  
That's who I am  
And there's nothing they can say  
I'm still the man  
At the end of the day
