"For Nothing"

Visit "[For Nothing](#)" on MotoLyrics.com

Closed my eyes for nothing
Just to see how it hurts
To be forced to listen
Sold my soul for nothing
Just to see how it works
Is this fortune that i'm kissing?
See yourself for nothing
Just this once for nothing
Be yourself for nothing
One for all for nothing
All for one for nothing
After all it's something
Took a turn for nothing
Just to see how it's done
Now i know what i've been missing
Love my son for nothing
So i bought him a gun
Now he's bored with just polishing
See yourself for nothing
Just this once for nothing
Be yourself for nothing
One for all for nothing
All for one for nothing
After all it's something
If all life's for nothing
Then we die for nothing
All this time for nothing
If our love means nothing
Chances are we're nothing
Isn't that really something?
