"Saw It On Tv"

Anorectic female speaking philosophy
Mothers interfering in everyone's privacy
Politicians smiling over controversy
Everybody's involved in a conspiracy
Saw it on tv
Saw it on tv
The way my life could be
The way my life should be
People jump into conclusions so mindlessly
Suffocate the ones they love overjealousy
Every single one night stand leads to pregnancy
Everybody's married, still everybody's free
Saw it on tv
Saw it on tv
The way my life could be
The way my life should be
Could you help me to be real?
I'm not sure if i can feel
Would you help me, take this low
Turn it into a late night show
Saw it on tv
