Allergic to all penetration  
It's true what they say about you  
I know mouth escape route  
To [Incomprehensible]

Wake up it's over, refreshes  
Looks like the time waived out on you  
Put your weapons down  
Or they will turn them on you

Stop in the city so vicious  
We needn't gather a clue  
I know mouth escape route  
Will be coming for you

Her motives are pure and pristine  
She's flawed like a diamond  
Her facets are totally clean  
She's flawed like a diamond  
She's flawed like a diamond

She whispers something obscene  
She's flawed like a diamond  
Her facets are totally clean  
She's flawed like a diamond

Sleeping in new combinations  
Cracked up like the sidewalk in June  
Put your weapons down  
Or they will turn them on you

Allergic to all penetration  
It's true what they say about you  
I know mouth escape route  
I know mouth escape route, do it

Her motives are pure and pristine  
She's flawed like a diamond  
Her facets are totally clean  
She's flawed like a diamond  
She's flawed like a diamond

She whispers something obscene  
She's flawed like a diamond  
Her facets are totally clean  
She's flawed like a diamond

Pa ra pa ra pa pa ra ra  
All she ever says to me  
Pa ra pa ra pa pa ra ra  
Doo doo doo do do do do do do  
All she ever thinks about  
Doo doo doo do do do do do do  
Doo doo doo do do do do do do

Her motives are pure and pristine  
She's flawed like a diamond  
Her facets are totally clean  
She's flawed like a diamond  
She's flawed like a diamond

She whispers something obscene  
I'm hung like a giant  
Her facets are totally clean  
She's flawed like a diamond

Her motives are pure and pristine  
She's flawed like a diamond  
Her facets are totally clean  
She's flawed like a diamond  
She's flawed like a diamond

She's flawed like a diamond  
She's flawed like a diamond  
She's flawed like a diamond
