Kung fu tongue spar without a solution
The vintage sign made which ends in confusion
Robert Plant kicking from the Japanese hearses
Goes, "Baby baby" in trebly verses

She said no
Let me try to climb up a bean
So I'm gonna meet the giant

There's nobody
Killing my sunshine
La, la, la, la, la
I'm going out tonight

Doing wrong
Two returns a right
La, la, la, la, la
I'm going out tonight

Bloodshot eyes on the freaky Caucasian
His headlights are shining in the air conditioning
Over 25 in the ass-less hot pants
Light a King Hummer on the Kryptonite lance
(Flashdance)

She said no
I never tried to climb up a bean
So I'm gonna meet the giant

There's nobody
Killing my sunshine
La, la, la, la, la
I'm going out tonight

Doing wrong
Two returns a right
La, la, la, la, la
I'm going out tonight

Break down baby

There's nobody

Killing my sunshine
La, la, la, la, la
I'm going out tonight

Doing wrong
Two returns a right
La, la, la, la, la
I'm going out tonight

There's nobody
Killing my sunshine
La, la, la, la, la
