I'll remember a lot of things  
Mostly I'll remember the laughter  
And the way you walked into a room  
Maybe after a while  
I'll listen when it's quiet  
And we'll talk about the things I fear  
And the things you see

You'll be everything they need  
Yeah  
You'll teach them all to dream  
And leave them laughing  
Yeah yeah

Sylvia  
I'm gonna miss you while you're gone  
It's gonna crush  
But I'll be strong enough to make it  
The way you'd want  
For 33,059 days  
My Sylvia lived  
But she never behaved for anyone  
Oh no I'm gonna miss you while you're gone

I can't remember to this day  
I'll never know what happened to the hours  
To the days we talked away away  
It can't be over  
But I'll say goodbye for now  
After midnight  
Or first light  
Well I'll see you then  
Just don't forget me

You'll be everything they need  
Yeah  
You'll teach them all to dream  
And leave them laughing  
Yeah yeah yeah

Sylvia  
I'm gonna miss you while you're gone

It's gonna crush  
But I'll be strong enough to make it  
The way you'd want  
For 33,059 days  
My Sylvia lived  
But she never behaved for anyone  
Oh no I'm gonna miss you while you're gone

We have everything we need  
Yeah she's just like you indeed  
And leaves us laughing

Sylvia  
I'm gonna miss you while you're gone  
It's gonna crush  
But I'll be strong enough to make it  
The way you want  
For 33,059 days  
My Sylvia lived  
But she never behaved for anyone  
Oh no I'm gonna miss you while you're gone  
Yeah I'll miss you while you're gone  
Gonna miss you while you're gone
