Reading between the lines I find

You don't mean what you say

You cheated and you lied

And how you made me hurt inside

You turned my days into darkest nights

And re-arranged my dreams

You're just not what you seem

Black-hearted lady

I am from the land so you won't understand my grief

I have lived in vain belief

In a world of poisoned words

And everywhere I look I find no answer to my prayer

You're just not there

Black-hearted lady
