Once I loved a pretty woman till one day she up and ran  
S'pose I should have felt it coming  
But it's hard to think of her with another man  
Oh my lady I need you  
Though from time to time I don't seem to

Once the sun shone in my garden  
Till my love took off and left me with the rain  
Now my heart and I are starting  
To forget it all and start out again  
Oh my lady I need you  
Though from time to time I don't seem to

My heart is hurting bad  
And all the trees look so sad  
And all the love we could have had  
Oo from time to time
