You went to school to learn, girl
What you never never knew before
Like "I" before "E" except after "C"
And Why 2 plus 2 makes 4 now now now
I'm gonna teach you
All about love, dear
Sit yourself down, take a seat
Oh all you gotta do is repeat after me

A B C easy as
1 2 3, ah simple as
Do Re Me, A B C, 1 2 3 baby, you and me, girl

A B C easy as
1 2 3, ah simple as
Do Re Me, A B C, 1 2 3 baby, you and me, girl

I'm gonna teach you how to sing it out
Com-a, com-a, come on let me show you what it's all
About

Reading and writing, 'rithmetic
Are the branches of the learning tree
But listen
Without the roots of love
Let me tell you, girl
Your education ain't complete T- T- T-
Teacher's gonna show you
How to get an 'A'
Spell "me", "you", add the two

Listen to me, baby that's all you gotta do, oh

A B C easy as
1 2 3, ah simple as
Do Re Me, A B C, 1 2 3 baby, you and me, girl

A B C is easy
It's like counting after 3
Sing a simple melody
That's how easy love can be

That's how easy love can be
Sing a simple melody
1 2 3, you and me

Shake it, shake it, babe

1 2 3, babe
A B C, babe
Do Re Mi, babe

That's how easy love can be
A B C, 1 2 3

A B C is easy
It's like counting after 3
Sing a simple melody
That's how easy love can be
A B C is easy
It's like counting after 3
Sing a simple melody
That's how easy love can be

A B C, 1 2 3, Do Re Mi
That's how easy love can be
Sing a simple melody
1 2 3, you and me
