Want to, but I can't help it  
I love the way it feels  
Its got me stuck between my fantasy and what is real  
I need it when I want it  
I want it when I don't  
Tell myself I'll stop every day, knowing that I won't

I got a problem and I  
Don't know what to do about it  
Even if I did I don't know if I would quit but I doubt it,  
I'm  
Taken by the thought of it

[chorus]  
And I know this much is true  
Baby you have become my addiction  
I'm so strung out on you  
I can barely move  
But I like it

And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because  
Never get enough, she's the sweetest drug

think of it every second  
I can't get nothing done  
Only concern is the next time I'm gon' get me some  
Know I should stay away from  
'Cuz it's no good for me  
I try and try but my obsession won't let me leave

I got a problem and I  
Don't know what to do about it even If I did I don't know  
If I would quit but I doubt it, I'm  
Taken by the thought of it  
Hey!

[chorus]  
And I know this much is true  
Baby you have become my addiction  
I'm so strung out on you  
I can barely move  
But I like it

And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because of you  
(All because of you)  
And it's all because  
Never get enough (Never get enough), she's the  
sweetest drug

Ain't no doubt (No doubt)  
So strung out (Strung out)  
Ain't no doubt (There's aint no doubt)  
So strung out  
Over you  
Over you...

Because of you  
And it's all because of you  
Never get enough  
She's the sweetest drug  
She's the sweetest drug
