Visit "[Thick as Thieves](#)" on [MotoLyrics.com](http://MotoLyrics.com)

We are the left behind  
Lost on the roads you followed  
We are the compromise  
We've opened up our eyes  
Fight the hand that feeds you lies  
This time we make it right  
Don't need a reason tonight  
So sick of waiting for something to change my life

Chorus:

Hey hey, the soul lives for the feeding  
Hey hey, thick as thieves we are the feeling  
Hey hey the soul lives for the feeding  
Hey hey, thick as thieves we are the feeling

We'll never fall in line  
And walk the roads you followed  
We are the ones who rise  
Just open up your eyes

Fight the hand that feeds you lies  
It's time we make it right  
Don't need a reason tonight  
So sick of waiting for something to change my life

Chorus:

Hey hey, the soul lives for the feeding  
Hey hey, thick as thieves we are the feeling  
Hey hey the soul lives for the feeding  
Hey hey, thick as thieves we are the feeling

[2 x Chorus:]
