When I close my eyes baby
I dream sweet dreams of you
Even though I'm far away
I still feel close to you

Can you hear my night wind
Whistle these old blues?
When I'm layin' in this hotel room
On my way to you

You said you'd never leave me
And you'd never let me down
Like dancers in a street ballet
We danced the curtains down

A thousand miles between us
As I whistle these old blues
When I'm layin' in this hotel room
On my way to you

The hours passed so slowly
And still I'm here awake
Tomorrow I'll be close to you
But tonight I'm still far away

Well I might as well be in China
As I whistle these old blues
'Cause I'm layin' in this hotel room
On my way to you

Can you hear the night wind
As I whistle these old blues?
As I'm layin' in this hotel room
On my way to you
To you
