(Shake it, shake it)

(Shake it, shake it)

She smiled at me, said: "Would you like it sweet and low?"

"I know a place where we can take it nice and slow"

I know what you're thinkin': don't stop, I need that sweet thing

Telling you now, this is real

Shake it up, Åÿekerim, I know what you're feelin'

Shake it up, Åÿekerim, I got what you're needin'

Shake it up, Åÿekerim, tell me what you're thinkin'

Shake it up, Åÿekerim, you're my only sweet thing

She said in a sexy lazy low key: "Can I make it right?"

You put your trust in me, I'll take you through the night

Don't keep me waiting, not sure you're understanding

Just how much I crave for you

Shake it up, Åÿekerim, I know what you're feelin'

Shake it up, Åÿekerim, I got what you're needin'

Shake it up, Åÿekerim, tell me what you're thinkin'

Shake it up, Åÿekerim, you're my only sweet thing

Lovey-dovey, lovey-dovey all the time

I got lots of candy to make you mine

Lovey-dovey, lovey-dovey all the time

I got lots of candy for you

Lovey-dovey, lovey-dovey all the time

I got lots of candy to make you mine

Lovey-dovey, lovey-dovey all the time

I got lots of candy for you

Shake it up, Åÿekerim, I know what you're feelin'

Shake it up, Åÿekerim, I got what you're needin'

Shake it up, Åÿekerim, tell me what you're thinkin'

Shake it up, Åÿekerim, you're my only sweet thing

Shake it up, Åÿekerim (Shake it up, Åÿekerim)
Shake it up, Åÿekerim, you're my only sweet thing
Shake it up, Åÿekerim, tell me what you're thinkin'
Shake it up, Åÿekerim, you're my only sweet thing

Shake it up, Åÿekerim
