Don't stop your crying on my account A frightening lion, no doubt He's not safe, no he's not safe Are you tempted now to run away? The King above all Kings is coming down But He won't say the words you wish that he would Oh, he don't do the deeds you know that He could He won't think the thoughts you think He should But He is good, He is good I know you're thirsty, the water is free But I should warn you, it costs everything Well, He's not fair, no He's not fair When He fixes what's beyond repair And graces everyone that don't deserve No one knows Him whom eyes never seen No. I don't know Him but He knows me He knows me, He knows me Lay down your layers, shed off your skin But without His incision, you can't enter in He cuts deep, yeah He cuts deep When the risk is great and the talk is cheap But never leaves a wounded one behind
